Dear Weimin:

This letter is to extend to you a most cordial invitation to participate in the Symposium on *the History of the Development of High Energy Physics in China* to be held in Beijing at April 2, 2005. The symposium is sponsored by the China Center of Advanced Science and Technology (CCAST).

It would be wonderful if you could give a talk about the *History of the Application of Internet in China*, especially in the Institute of High Energy Physics, Beijing.

We are looking forward to welcoming you and hoping to get your positive answer very soon.

Yours sincerely,

Minghan Ye
